Instructions to Veterinarian: It is required in every case that the animal should be examined outside of the stall and that it should be made about to demonstrate soundness of limbs and freedom of action. Animals having vicious habits that are chronic colickers; that are tuberculous; that are not acclimated; that have ever been nerved; are not insurable. Careful observation and inquiry should be made as to housing conditions and presence of contagious disease.

I, _____ do hereby certify that I am a graduate of Veterinary Surgeon. Holding a current license to practice as such by the _____ and that I have this day examined the

Breed: _____ Color: _____
